MBA ACCREDITATION CRITERIA

OVERARCHING THEMES

The overarching themes of the MBA program are: Leadership, Innovation, and Global Business. These themes are integrated into all aspects of the curriculum and student experience.

Leadership is a core theme of the MBA program, focusing on developing students' ability to lead teams and organizations. Innovation is another key theme, emphasizing the importance of creative problem-solving and entrepreneurship. Global Business is the third overarching theme, preparing students to work in a diverse and interconnected world.

The program is designed to provide students with a comprehensive understanding of business and management. Through a combination of classroom instruction, experiential learning, and research, students will develop the skills and knowledge necessary to succeed in the business world. The program also emphasizes the importance of ethical leadership and social responsibility.

MBA Definition

The MBA program is a two-year, full-time program that provides students with a comprehensive understanding of business and management. The program is designed to prepare students for leadership roles in a variety of organizations.

MBA Attributes

- The program is designed to provide students with a comprehensive understanding of business and management.
- The program emphasizes the importance of leadership, innovation, and global business.
- The program is designed to prepare students for leadership roles in a variety of organizations.
- The program emphasizes the importance of ethical leadership and social responsibility.
- The program is designed to provide students with a comprehensive understanding of business and management.
- The program emphasizes the importance of leadership, innovation, and global business.
- The program is designed to prepare students for leadership roles in a variety of organizations.
- The program emphasizes the importance of ethical leadership and social responsibility.

Key Principles

1. **Integrity** – An organization's actions should be consistent with its stated values and principles, and should be transparent and accountable to all stakeholders.
2. **Customer Focus** – An organization should be customer-centric, understanding and responding to the needs and expectations of its customers, and providing high-quality products and services that meet or exceed their expectations.
3. **Employee Engagement** – An organization should invest in its employees, providing them with the resources, training, and support they need to succeed, and fostering a culture of collaboration and innovation.
4. **Financial Performance** – An organization should strive for financial success, while also considering the long-term sustainability and social impact of its operations.
5. **Operational Excellence** – An organization should continuously improve its processes and systems, seeking efficiency and effectiveness in all aspects of its operations.
6. **Leadership** – An organization should have strong leadership, with leaders who are visionaries, communicators, and role models, inspiring and motivating their teams to achieve their full potential.
7. **Community Involvement** – An organization should be socially responsible, contributing to the well-being of the community and the environment through its actions and initiatives.
8. **Transparency** – An organization should be open and honest in its communications, providing clear and accurate information to all stakeholders.
9. **Innovation** – An organization should embrace change and innovation, seeking new and creative solutions to its challenges and opportunities.
10. **Global Perspective** – An organization should have a global outlook, understanding and responding to the needs and expectations of its diverse and multicultural stakeholders.

CRITERIA

Framework & Eligibility

The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

Principle 1: The MBA Portfolio

In order to claim accreditation, all graduate programs must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

1.1 The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

1.2 The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

1.3 The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

1.4 The program must be a full-time, on-campus, graduate-level program leading to a master's degree in business administration. The program must be designed to provide a comprehensive education in business administration, including the study of business theory, practice, and research. The program must be approved by the Association to Advance Collegiate Schools of Business International (AACSB).

Principle 2: Institutional Integrity, Sustainability & Distinctiveness

The institution offering a MBA be able to demonstrate a clear and credible commitment to high quality and excellence in MBA education.

2.1 The institution offering a MBA shall demonstrate its commitment to the following:

- (i) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (ii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (iii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (iv) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (v) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (vi) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (vii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (viii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (ix) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (x) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xi) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xiii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xiv) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xv) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xvi) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xvii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xviii) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xix) demonstrate its commitment to the highest standards of academic excellence in MBA education;
- (xx) demonstrate its commitment to the highest standards of academic excellence in MBA education;

2.2 The institution offering a MBA shall demonstrate its commitment to the following:

Principle 3: Faculty Quality & Sufficiency

The institution offering a MBA be able to demonstrate the MBA faculty is sufficient in each discipline and each discipline has adequate MBA level expertise in each discipline.

3.1 The institution offering a MBA shall demonstrate its commitment to the following:

.2.

... ..

... ..

... ..

... ..

... ..

Principle 4: Programme Design & Leadership

Each MBA programme should be designed academically, in accordance with the standards of the Association to Advance Collegiate Schools of Business International (AACSB).

Principle 5: The Student Cohort Experience

The MBA is designed to be a graduate, evidence-based, high-quality leadership education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

1. The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

2. The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

The MBA program is designed to provide a comprehensive, rigorous, and relevant education that prepares graduates to be effective leaders in a global, diverse, and rapidly changing business environment.

.10 The MBA should have a clear academic leadership which can be evidenced and which is aligned with the AMBA MBA attributes.

Principle 6: Competences, Graduate Attributes & Learning Outcomes

The MBA should have a clear academic leadership which can be evidenced and which is aligned with the AMBA MBA attributes.

.1 The MBA should have a clear academic leadership which can be evidenced and which is aligned with the AMBA MBA attributes.

.2 The MBA should have a clear academic leadership which can be evidenced and which is aligned with the AMBA MBA attributes.

.3 The MBA should have a clear academic leadership which can be evidenced and which is aligned with the AMBA MBA attributes.

The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

The MBA shall ensure that the assessment process is transparent and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

Principle 8: Assessment Rigour & Relevance

The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

1. The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

2. The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

Principle 9: Delivery & Interaction

The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

1. The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

2. The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.

The MBA shall ensure that the assessment process is fair, valid and reliable, and that the assessment methods used are appropriate to the learning outcomes and the level of the programme.
